

Greetings! I'm Rosie, or Maria Del Rosario Serrano if you prefer the formal version. With over 28 years of experience in Real Estate, I've had the opportunity to work on various projects, ranging from new construction to condominiums. My roots lie in Brownsville, Texas, where I was born and raised, and I've spent my entire life in Texas. I've had the pleasure of living in several Texan cities, including Mission, Brownsville, Laredo, San Antonio, and South Padre Island, where I currently reside.

My family is my pride and joy, and I'm blessed to have three children and eight grandchildren whom I adore. I'm a firm believer in enjoying life and appreciating all of the blessings that come our way.

My specialty lies in the sale and purchase of beach homes, condominiums, vacation homes, investments, and luxury homes in South Padre Island, Port Isabel, and the surrounding areas of the Valley. My mission is to help you navigate the real estate process with ease and help you acquire your dream property.

I work diligently to ensure your satisfaction and make sure that you not only receive excellent service but also gain a genuine friend in the process. So, if you're looking for an agent who's passionate about real estate and committed to your success, give me a call!
